

# Bladder repair bits and pieces

click to browse to the vendors

@Tear Aid tape you find excellent adhesive tape and patches for bladder and kite repair, take note that all repair surfaces HAVE TO BE dry and oil free. Heat and Pressure greatly enhance bonding strength. A must have!!

@ Airtime you will find everything you need to replace a bladder for whatever kite, best is to measure the length of your bladder before hitting their website. Their stick on valves are the best money can buy and have saved many holidays here in Cabarete. They ship world wide

@ Wanikou you will find repair kits and replacement bladders, they mainly serve Europe
